International Journal of Frontier Missiology 210 Religious Syncretism as a Syncretistic Concept S. R. Imbach in the Evangelical Dictionary of Theology is clearly in accord with this, but note the centrality of the concept of "religion" in this definition.

### **Religious Syncretism as a Syncretistic Concept - IJFM**

Syncretism is often used to describe the product of the large-scale imposition of one alien culture, religion, or body of practices over another that is already present.

### **Syncretism. - The University of North Carolina at Chapel Hill**

The term syncretism epitomises the problem. If we try to define precisely the meaning of the word syncretism and to consult lexicographical references the picture is rather confusing. The Oxford English Dictionary defines syncretism as 'attempted union or reconciliation of diverse and opposite tenets or practices, esp. in philosophy and religion'.
