A target market is a group of customers within a business's serviceable available market at which a business aims its marketing efforts and resources. A target market is a subset of the total market for a product or service. The target market typically consists of consumers who exhibit similar characteristics (such as age, location, income or lifestyle) and are considered most likely to buy a ...

The marketing mix (also known as the 4 Ps) is a foundation model .The marketing mix has been defined as the "set of marketing tools that the firm uses to pursue its marketing objectives in the target".Thus the marketing mix refers to four broad levels of marketing decision, namely: product, price, promotion, and place. Marketing practice has been occurring for millennia, but marketing theory ...
