citations in the Gospels are indirect and subtle, so reading with an attuned ear for echoes and allusions is an important aspect of Hays' reading strategy. He divides the intertextual Old Testament references found throughout the Gospels into three broad categories: "quotation," "allusion," and "echo" (p.10).

Echoes Of Scripture In The Gospels PDF

Litwak challenges previous studies of the use of the Old Testament in Luke-Acts as inadequate. In contrast to previous studies that consider only quotations or obvious allusions, he examines intertextual echoes of the Old Testament at strategic points in Luke-Acts, as well as quotations and allusions and echoed traditions.
