making empire colonial encounters pdf

The French colonial empire constituted the overseas colonies, protectorates and mandate territories that came under French rule from the 16th century onward. A distinction is generally made [by whom?] between the "first colonial empire," that existed until 1814, by which time most of it had been lost, and the "second colonial empire", which began with the conquest of Algiers in 1830.

After the First World War, the victorious allies divided up the German colonial empire and much of the Ottoman Empire between themselves as League of Nations mandates. These territories were divided into three classes according to how quickly it was deemed that they would be ready for independence. After World War II decolonization progressed rapidly.
