A policy is a deliberate system of principles to guide decisions and achieve rational outcomes. A policy is a statement of intent, and is implemented as a procedure or protocol. Policies are generally adopted by a governance body within an organization. Policies can assist in both subjective and objective decision making. Policies to assist in subjective decision making usually assist senior ...

A. Agencies Lack Anti-Harassment Policies. Although more than five years have passed since the U.S. Supreme Court issued decisions in Faragher and Ellerth and the EEOC issued the Enforcement Guidance, the survey revealed that 7% of the agencies reviewed (3) still do not have an anti-harassment policy or complaint procedures in place. To date, two of those agencies have informed EEOC that they ...
