The position of lieutenant governor has existed in Canada since before the country's confederation. In 1786, the post of Governor-in-Chief of British North America was created as a central viceregal office overseeing the British colonies of Prince Edward Island, Nova Scotia, New Brunswick, and the Province of Quebec, whose governors then became lieutenant governors, though that of Quebec was ...

Usage. Rail transport remains relatively underused as a mode of transport in Vietnam. While road transport dominates the transport sector by far—accounting for 65% of freight moved as of 2006—rail transport accounted for only 4% of freight transportation in 2008, and 5% of passenger transportation, leading it to be considered the "least relevant" of all modes of transport in the European ...

Statistical information. HSE's work-related stress statistics page provides statistical information and detail on stress incidence, prevalence and working days lost, taken from the annual Labour Force Survey. Further information is also gathered via the THOR-GP data. A poster of the latest statistical data is available.
