I have a confession to make. Of all the Singer straight stitch sewing machines, this model is my favorite. It is a straight stitch only, slant shaft sewing machine, and the it was the "lower end economy model" of the 400 series when the Singer 401 was the "top of the line", and the Singer 403 was the mid-range model. Each of these models have the same size, gear driven motors.

It has a 3 year warranty (just keep your receipt), so the fact that it has been 'branded' by Lidl and has been sold by them before made me feel more secure about this warranty, rather than them having bought a job lot of overlockers they are selling off.
