

meaning and representation pdf

Meaning in existentialism is descriptive; therefore it is unlike typical, prescriptive conceptions of "the meaning of life". [citation needed] Due to the methods of existentialism, prescriptive or declarative statements about meaning are unjustified.[citation needed].The root of the word "meaning" is "mean", which is the way someone or something is conveyed, interpreted, or represented.

Negative punishment is an important concept in B. F. Skinner's theory of operant conditioning. In behavioral psychology, the goal of punishment is to decrease a certain unwanted behavior. In the case of negative punishment, it involves taking something good or desirable away to reduce the occurrence of a particular behavior.
