Promoting Harmony Young Adolescent Development Classroom

Promoting Harmony is a fresh, common sense presentation of what we know about learning and young adolescents, punctuated by vignettes of practices that illustrate harmony or disharmony. It makes an excellent text for preservice teachers or for an engaging and meaningful school-based professional development experience.

Promoting Harmony: Young Adolescent Development

Early adolescence is a distinct period of human growth and development situated between childhood and

adolescence. During this remarkable stage of the life cycle, young adolescents, 10- to 15-year-olds, experience rapid and significant developmental change.

Developmental Characteristics of Young Adolescents
