Strategic Analysis of the Pharma Market, Future Revenue Models and Key Players 2 â€œPersonalised medicine is a laudable aim, but we are not anywhere near there yetâ€!

Strategic Analysis of the Pharma Market, Future Revenue

From Fig. 1, it could be seen that, whereas other management accounting techniques lay more emphasis on cost reduction, management and control, performance evaluation and product management, SMA emphasizes majorly on strategic positioning. SMA combines information on customers, competitors and the market, which enables a firm to gain competitive advantage and increase its market share.

Strategic management accounting and decision making: A

Really interesting and insightful article. When it comes to word strategy, lot of professionals think of Porter's framework. Such frameworks certainly can be explored for strategic project management but more than generically fitting framework, strategic project management considered to be about decision making, prioritization, project direction/alignment with strategy, learning from past.
