The coming Russian boom - CORE

The Coming Russian Boom introduces Westerners to a Russia that is far healthier and more promising than the one they have read about in the papers, and shows how the greatest political-economic challenge of the post-Cold War world has become a resounding and exemplary triumph.

The COMING RUSSIAN BOOM Hardcover - amazon.com

For the next several years, the Russian economy will grow faster than China or any Western nation--here are the secrets to investing in the new Russia. The authors present a soup-to-nuts analysis of the Russian economy, along with its political and social evolution, to demonstrate just how successful the reforms have been and what they mean for Western businessmen.

The coming Russian boom : a guide to new markets and

The title certainly captures one's attention. The authors, one a well-regarded economist at the London School of Economics, the other an experienced correspondent for the Economist, begin by asking whether Russia is in a historical and cultural world of its own that prejudices its chances of establishing democracy and a modern market economy.
