The General Dental Council (GDC) is an organisation which regulates dental professionals in the United Kingdom. It keeps an up-to-date register of all qualified dentists and other dental care professionals such as: dental hygienists, dental therapists, dental nurses, dental technicians and clinical dental technicians. It was established in 1956 to set and maintain standards in UK dentistry ...

In the United States, at least three years of undergraduate education are required in order to be admitted to a dental school; however, most dental schools require at least a bachelor's degree. There is no mandatory course of study as an undergraduate other than completing the requisite "pre-dental" courses, which generally includes one year of general biology, chemistry, organic chemistry ...
