Girls' education: towards a better future for all

Education offers children a ladder out of poverty and a path to a promising future. But about 264 million children and adolescents around the world do not have the opportunity to enter or complete school.

Education | UNICEF

Education is Transformational. Education is a foundational driver of development, and fundamental to achieving self-reliance. Education is transformational for individuals and societies--it creates pathways to better health, economic growth, a sustainable environment, and peaceful, democratic societies.

Chapter 1 Understanding education quality The goal of achieving universal primary education (UPE) has been on the international agenda since the Universal Declaration of Human Rights affirmed,

Understanding education quality - UNESCO

“The fundamental goal of positive education is to promote flourishing or positive mental health within the school community.” (Norrish et. al., 2013) Every parent wants the best for their children, they want their children to be happy and flourish. However, finding the right education can be a challenge!
