   The purpose of education has always been to every one, in essence, the same   to give the young the things they need in order to develop in an orderly, sequential way into members of society. This was the purpose of the education given to a little aboriginal in the Australian bush before the coming of the white man.

Education of Man Schiller, influenced by Goethe and Johann Joachim Winckelmann, puts forth a history of the whole of Western Culture. Winckelmann had developed an "aesthetic paganism" that influenced all later German thought. Winckelmann emphasized a "nobility and simplicity" of Greek life that has never since been realized.
