The critics on T. H. White's THE ONCE AND FUTURE KING "A gay, warm, sad, glinting, rich, mystical, true and beautiful tapestry of human history and human spirit.

The Once and Future King - Naperville

Human capital is the stock of knowledge, habits, social and personality attributes, including creativity, embodied in the ability to perform labor so as to produce economic value. Human capital theory is closely associated with the study of human resources management as found in the practice of business administration and macroeconomics. The original idea of human capital can be traced back at ...

Cannibalism is the act of one individual of a species consuming all or part of another individual of the same species as food. To consume the same species, or show cannibalistic behavior, is a common ecological interaction in the animal kingdom, and has been recorded for more than 1,500 species. Human cannibalism is well-documented, both in ancient and recent times.
