

### **the grammar schools of pdf**

A grammar school is one of several different types of school in the history of education in the United Kingdom and other English-speaking countries, originally a school teaching Latin, but more recently an academically-oriented secondary school, differentiated in recent years from less academic Secondary Modern Schools.. The original purpose of medieval grammar schools was the teaching of Latin.

The grammar schools debate is a debate about the merits and demerits of the existence of grammar schools in the United Kingdom. Grammar schools are state schools which select their pupils on the basis of academic ability, with pupils sitting an exam (called the 11-plus) in the last year of primary school to determine whether or not they gain a place. . The debate on selective education has been ...
