### Lord - Wikipedia

Lord is a title or honorific used in various cultures and contexts. It often denotes a noble or aristocratic rank, but can also be used as a form of address for a man of high social status. The title has its roots in Old English and Old Norse, where it referred to a lord or a ruler. In modern times, it is commonly used in the British monarchy and in the titles of nobility. It can also be used as a title of respect for a man, similar to 'Sir'.
