GOOD TO GREAT AND THE SOCIAL SECTORS This monograph sprang from the realization that the Good to Great concepts have use far beyond business€in government, nonprofits, schools, and just about everywhere else. The monograph rejects the idea that the social sectors should operate more like business and shows how the Good to Great concepts can be successfully adapted to arenas in which success ...

I don't know how many times I've had the Fortune 500 presented to me as Exhibit A by those who argue that it's time to give up on a 20thâ€“century American idea. Forget about building great companies that endure, they tell me. One technology pundit cornered me at a conference and deemed the whole premise absurd in today's world: â€œWe live in an era when nothing can be built to last.
